Our Sa - vior, full of grace and truth, Knows all God's chil - dren dear.
The mo - ment we re - ceive His gift, His grace shall fill our hearts.
En - cir - cled by our Sa - vior's love, Our arms shall o - pen wide
For Christ came to the earth to save! Oh, let our hearts re - joice!

He hears our si - lent, plead - ing prayers, And wipes our ev' - ry tear.
We'll trea - sure love so free - ly giv'n, Then turn to do our part:
To ga - ther in with cha - ri - ty, And none shall be de - nied.
Though Sa - tan strives to lead a - stray, We'll make a bet - ter choice.

It mat - ters not why we are lost; He rea - ches from a - bove,
For when we feel that change with - in, His truth ex - pands our view;
For in our weak - ness, grace is giv'n, Suf - fi - cient for us all.
We'll choose God's love to fill our hearts, And joy fill all our days.

En - cir - cling us with - in His arms, In e - ver - las - ting love.
We'll live be - stow - ing that same love In ev' - ry - thing we do.
"Ac - cept the good - ness of our Lord!" Shall be our joy - ous call!
His grace shall make us strong e - nough To fol - low in His ways.
