

# Olives of Jerusalem

Peggy Lee Michelle Thornton

Synthesizer

Hand and word  
Fruit of oil  
Pound to keep like  
walk the oil.

Thump the, thump the,  
Against the, Oar the,  
Piercing down the  
in more power.

There is love all the  
year long... but O!  
pore the in in  
the rough holes, Turn the in in.

May it find  
Like... and in  
long... oh  
There is no pain  
There is no sin.
