I'll take His name when I am eight, I'll wear it - proud, I will-  
It is the gate for His path, strait I walk with - all my might-  
I speak His name with rev-er - ence; In tone and - voice so kind-  
I'll wear His name up - on my heart And u - pon - my mind, too-

I'm not a - shamed of His grand name; My heart with joy it fills.  
It is the Truth, It is the Way It is the one true Light.  
I ne - ver use it when I'm mad, But with a rev-'rent mind.  
I love His name like no o - ther, And to it I'll be true.
