And when the path is hard to see, In Him my trust is sure.
I'll choose to - day to fol - low Him Wher - ev - er He may lead -

My She-pherd He will e - ver be; His grace a choice re - ward.
- He is the Light, the Truth, the Way; He is the choice I make.
He is the She-herd and the Lamb. In Him I can en - dure.
- A - long the cov' - nant path, so strait I'll walk in word and deed.
