When I read The Book of Mor - mon for my source of pow - er. No

ho - ur is too ear - ly. It's the ho - ur of pow - er. First

thing to - day I'll read and pray to hear my Sav - ior's voice. I

can re - pent. I'll do God's will. I'll make a bet - ter choice. There is

pow - er in the pa - ges. Plain and pre - cious is the truth. I'll

seek the Lord ear - ly. Read the scrip - tures sin - cere - ly and

dear - ly love the Lord while in my youth. For

my source of pow - er, no ho - ur is too ear - ly. It's the

ho - ur of pow - er when I read The Book of Mor - mon.
