Bonnie Heidenreich

Wait-ing,

Will I find the one I'm search-ing for? Ho-ping.

Some-day she'll come through my door. Pray-ing,

Some-where there's a heart that's beat-ing, keep-ing, strong and pure for

me. Trust - ing, Hea - ven know what I am wait - ing for.

Feel - ing, Chang - es come in - to my life. For I have

found her, Per - fect, pa - tient, warm and gen - tle, Wait - ing,

just for me. In her eyes I've come to see a

part of me, lov - ing her ten - der - ly. Shar - ing

all the path of life may bring. Dreams be - come re - a - li - ty.

Look - ing, From this day in - to e - ter - ni - ty.

Wait - ing, Hand in hand, Now we are one.
